Dedication

For twenty-one years Miss Martha Basham has been doing her work in Clarksville High School so quietly and yet so efficiently that few people realize the extent to which her influence is felt. Her dignity of manner and carriage is belied by the twinkle in her eye and her fine sense of humor. In appreciation for her many services, the Beta Club dedicates the 1950 Panther Tracks to Miss Martha Basham.

Martha E Basham

One night in March 1950, a couple of gals got together to cook up some ideas for an annual. The theme for the annual was to show the progress in the last half century, which they thought was very bright and orginal, since not over 500,000 other high schools would be doing the same thing this year.

The natural thing seemed to be to call up some 1900 senior---that is if anybody that old could drag themselves to a telephone. Boy, were they in for a surprise! Not only could anybody "that old" come to the phone, but they could keep up a snappy line of back-talk about high school doings and goings-on long after the ears and pencils of both girls were worn down to the stubs. Here are only a few of the things we found out.

Classes were held from 8:00 a.m. to 4:00 p.m. with no holidays except Thanksgiving and Christmas.

Geometry, rhetoric, algebra, English, physics, and Latin were taught. The history book must be memorized paragraph by paragraph. Very often a pupil would count down to his paragraph and memorize only that one. But

woe unto that pupil when the one before him missed!

Teachers believed in "spare the rod and spoil the child" and "Fess" Sallis, as he was called, would often remark, his black eyes snapping as he said, "Now children, lookout today, I'm not feeling well." And he meant business.

Mrs. Simmeral.

Most of the high school classes were taught by Superintendent Sallis. The principal of the school was Marion Foster; others were Mr. Bunch, Miss Clara B. Eno, and

Girls and boys were supposed to be separated. Any couple caught together on the campus were first taken to the principal's office and warned. If caught the second time, RASHER punishment was prescribed.

However, there have always been ways to get around a troublesome rule. Groups of girls used to couple off and walk up and down the sidewalk singing songs such as "Sweet Marie" while looking carefully over their shoulders to see if the boys were noticing.

Study hall for high school was kept in the upstairs auditorium. The monitor for the study hall was very unpopular especially with the older boys —

Redman

— one of them composed this poem in the monitor's honor:

"O God of Love
Look down from above
And have mercy on us poor
sinners;
We've hired a fool
To watch the school
For the sum of $15."

The old well had only one cup which was tied to the bucket. At recess the more sanitary-minded of the class would rush to the well first. The losers usually tipped the bucket up and drank from it.

Most girls, especially the younger ones, met boys only when they er— uh— uh— happened to be going the same way home after prayermeeting. Of course, the fact that he lived three miles the other direction had nothing to do with this!

Instead of taking the family car, a boy would try to rent at the livery stable a surrey big enough for three couples. Then they were off for a gay evening in the country! Games such as drop-the-handkerchief were played at these "play-parties."

Chapel programs are well remembered by most of the graduates, especially one called "An Evening with Longfellow." All parents were invited to attend, and every pupil had his own "piece" to recite. But something seemed to happen and a few minor details went wrong. For instance when the present Mrs. W. N. Cunningham was supposed to point dramatically "upward to the stars," she pointed "straight down to the floor."

Commencement lasted two nights. The girls all looked very sweet in their white organdy dresses, while the boys came resplendent in their best suits. All members of the class took in a pantomine of a "Lead Kindly Light." Miss Sally Miller, the valedictorian, spoke on "The Magic of Laughter." Mrs. Cunningham, as salutorian, read the class prophecy. The head of the Arkansas Education Department was commencement speaker.

Finally, not because the graduates ran out of memories but because the girls were fresh out of questions, pencils, and paper, they were forced to hang up.

Senior Class History

The Class of 1950 was born in September 1938 when the 46 present day seniors first entered a schoolroom, but we were not destined to come together for six long years. Most of us attended Sallis or Hurie school during these years, where we participated in the usual operettas and Christmas pageants, games of "Flying Dutchmen", "Senders", and softball and studied a little.

These years passed quickly and before long we found ourselves in Junior High. Here we had lockers, more than one teacher, "Dogpatch" and athletics, and we studied a little more. In the 9th grade, since we were really freshmen in high school now, we organized as a class and elected Miss Pauline Michie and Mrs. Villines as sponsors. Our officers for that year were: Sue Nelle Dickerson, President; Ann Revis, Vice-President; Alice Ann Patterson, Sec.-Treas. This year we began to take part in some of the Senior High activities, some of our boys came out for football and our maid to the Homecoming Queen was Alice Ann Patterson. We gave an operetta "King Ko-Ko", and our graduation theme was "The Americas Go Forward". Our valedictorian and salutatorian were Ann Revis and Pat Tumbleson and we had 25 honor students! At the end of school, we took our freshman retreat to Petit Jean.

In our sophomore year, our officers were Sue Nelle Dickerson, President; Flora Eustice, Vice-President; Alice Ann Patterson, Sec.-Treas.; and Coach Mattox and Mr. Joe Taylor, Sponsors. This year we had three cheerleaders from our class, Flora and Flois Eustice and Annabelle Kendall. Geraldine Walker was our candidate for Homecoming Queen. Our only activity was our retreat, on which we went to Fair Park in Little Rock.

Our Junior year was plagued by the necessity of raising money for the Jr.-Sr. Banquet and Prom. Our junior play, "Love Is Too Much Trouble", directed by Mrs. Villines, gave us enough money to give the 49ers a big sendoff. This year we also won the Homecoming race, making our candidate, Alice Ann Patterson, Queen, and we became the first junior class to take an overnight retreat. We went to Lake Lucerne at Eureka Springs. Much of the credit for this year's accomplishments was due to our new sponsors, Mrs. Mason Searcy and Coach Bill Metheny. Officers were: Alice Ann Patterson, President; Carolyn Kendall, Vice-President; Mary Ann Weatherton, Sec.-Treas.; and Joanne Cox, Reporter. One of our class members, "Fingers" Eddington, served as co-captain of the football team and Annabelle Kendall represented us as cheerleader.

In this, our last year, we have devoted most of our time to raising money for our senior trip which we have planned to take to New Orleans. Our Senior play, "Nine Girls", directed by Mrs. Searcy, bingo parties put on by our mothers, a square dance, and numerous small activities have helped us to raise the money for our last retreat together. This year we also won the first prize for our float in the Homecoming Parade and our candidate for Queen was Emma Jean Rannals. "Fingers" was again co-captain of the football team and Lena Cochran was the senior cheerleader. Our officers this year were Alice Ann Patterson, President; Mary Ann Weatherton, Vice-President; David King, Sec.-Treas.; and Flora and Flois Eustice, Reporters. Our faithful sponsors were Mrs. Searcy and Coach Metheny.

We think that our twelve years, particularly the last four, have been very full and happy ones and we're grateful to everyone, teachers and friends, who have helped make them so. We're certainly grateful to everyone who has helped make us the first class in the history of the school to make a 1200-mile six-day trip and we'll be thinking of you when we're enjoying ourselves in New Orleans. As we, the Class of 1950, leave CHS and go our separate ways, we're sure that we'll always remember our days here and hope we'll be remembered by you.

Glee Club -Junior High-

The Clarksville Junior High School Chorus is composed of twenty-two ninth grade girls who are members of a public school music class. The group has had two previous years of training in the seventh and eighth grades.

The ensemble has sung before church and school groups. They took part in the College of the Ozarks Music Festival and in the Bi-State Festival of Fort Smith, winning superior ratings for both performances. One member, Sue Ann Sykes, was given a superior rating in the voice contest at the Bi-State Festival. The group has also broadcast on the "Johnson County Hour" program over KWHN in Fort Smith.

Latin Club

Long noted for its activeness in school affairs, the Latin Club again did its part to add to the attractiveness of the school by deciding to use as their project for 1950 the improvement of their room. Backed dollar for dollar by Mr. Kendall they raised enough money to have the walls repainted a restful shade of green and the members themselves varnished and waxed the floor.

Each member did his part to make the Latin Club Banquet a success this year. They took for their theme the Roman Senate and every member had a part on the program.

This group took the paper as a 10th grade English class project and mimeographed the paper every two weeks. The staff dropped their original plans to buy a mimeograph machine to sponsor a dancing class for sophomores.

The staff was given a special room for their equipment and materials and a typewriter was given them by Mr. Upton.

Every member of our club is able to play some musical instrument and has shown sufficient interest in good music to warrant membership in the club.

Several members entered the state contest, April 1, 1950, and won superior ratings. Several of our members have won college scholarships because of their talent.

The duties of the Student Council are numerous. They have visited schools around Clarksville this year. They sponsored a basketball game to raise funds to send delegates to the convention. The convention was held at Magnolia, April 15 and 16. They make rules for the welfare of the students. They also sponsored a "Clean-Up Day" at the High School.

The Student Council does much for the welfare of the school.
